Profile

I am a highly motivated 3rd year B-Tech student specializing in Artificial Intelligence, with a basic knowledge of web3 and technologies . Proficient in creating user-friendly interfaces using React js and other styling frameworks. Eager to stay at the forefront of technology, I bring a proactive and innovative approach to problem-solving. Always ready to learn new technology as required . Excited about contributing to cutting-edge projects, I am a dedicated learner seeking opportunities for continuous growth.
